

Current Activities

We are currently still in the planning phase for most activities. We are working with the County to finalize our site plan and get building permits.

Moving Water Line

On the last week of February, contractors began helping West Fort Collins Water District move their water line. The line is being upgraded and moved to run south down the west property line. WFCWD also plans to continue the upgrade work down 54G to the East.

Next Briefing: July 2019

Other Activity

Click on the new "LaPorte" tab on our website to see contact information for comments and questions regarding the LaPorte operations. This is also where links to reports posted to the DRMS can be found.

Access onto HW 287

We have met with the owner of Hawkeye Ranch Development group to discuss access on to Highway 287. Thus far access has not been attainable due to the lack of a mining operator on the Hawkeye property.

DRMS Permit

DRMS permit M2017-036 has been issued and the reclamation bond has been posted.

Next Steps

Completion of submittals to Larimer County for Development Construction Permits.

Road Construction

We plan to coordinate and gain approval from Larimer County Engineering to begin construction on 54G mid-summer 2019.

Do you have a septic system? We would like to know!

Other Next Steps

- Berm installation & landscaping
- Site grading
- Bridge and access road
