LaPorte Pit Quarterly Briefing

Current Activities

There has been no significant change in activity since the last briefing. LRM is still continuing to work with the county regarding permitting.

Next Briefing: April 2020

Other Activity

- LRM is still in the process of working with the county to obtain site plan approval.
- Timeline of approval is still unsure.

Next Steps

Development Agreement, Development construction permits, and building permits with the county.

A copy of this pamphlet and the presentation from the briefing will be posted to our website under the Laporte Tab.

Other Next Steps

- Berm installation & landscaping
- Site grading
- Access road
